

ADL JOURNEY

CONNECTING THE DOTS

EDLD 5303

EPORTFOLIO

I created an ePortfolio and blog, establishing my own digital space for sharing my learning throughout the ADL program and beyond.

EDLD 5302

GROWTH MINDSET

I explored growth mindset and created a Mindset Plan, my Learning Manifesto, and established my Learning Networks.

EDLD 5313

CSLE

I learned about how to create significant learning environments (CSLE) by aligning outcomes, assessments and activities and Understanding by Design. Then connected CSLE to my Learning Philosophy and growth mindset.

EDLD 5389

PROFESSIONAL LEARNING STRATEGY

I learned about principles of effective PL and created an alt. PL Call to Action, planned the PL, and put together a full PL Strategy.

EDLD 5317

RESOURCES FOR DIGITAL ENVIRONMENTS

I learned about sharing digital resources through publication. I created a publication outline, rough draft, media project, and the final draft was published on my organization's blog.

EDLD 5305

INNOVATION PLAN

I developed my Innovation Plan, including a media pitch, proposal, timeline, literature review, and annotated bibliography.

EDLD 5304

ORGANIZATIONAL CHANGE

I looked at my why and how to bring about change through the Influencer Strategy, 4DX Strategy, and Crucial Conversations.

EDLD 5318

INSTRUCTIONAL DESIGN

I learned about instructional design principles and created a course from start to finish. This included a full Instructional Design, Implementation Design, and Usability Testing.

EDLD 5315

ACTION RESEARCH

I developed a research question, then created an Action Research Outline, wrote a Literature Review, and created a full Action Research Plan.

EDLD 5320

CAPSTONE SYNTHESIS

I spent time reflecting on my journey and connecting the dots through a COVA Reflection, Innovation Plan Update and an ADL Visual Representation.
